2020-...

- Development of projects of varying complexity on Vue js, Nuxt js;
- Development of new projects of varying complexity. Layout integration on cms wordpress.

Hi, I'm an experienced Front-end developer. I started my developing journey in 2015. Now I'm working as **Vue js** front-end developer. I've got a great experience in **Js frameworks, ES6, flexbox** and **css preprocessors**. Also, I have good skills in **wordpress** developing. Use **Figma** and **Photoshop** in my work. I am a hard-working person and always improving my front-end skills.
